

## DEAR PARENTS,

We're back with the School Supplies Fundraiser ... the opportunity to purchase Back to School Supplies through JCS PAC, to save you time and give you a leg up on the coming school year! The bulk savings we receive by ordering through PAC means profits directly back into our school!

Purchasing your school supplies through the JCS PAC is **EASY** and **CONVENIENT**, and we are very confident that it is also **COST EFFECTIVE!**

## ORDERING IS SIMPLE:

### This year we're adding the option to **ORDER ONLINE!**

Simply go to [jcss.ca/school-supply-fundraiser](http://jcss.ca/school-supply-fundraiser), fill out the order form, pay with paypal or the credit card of your choice, and your child's school supplies will be ready and waiting for them in their classroom on the first day of school! You can also find the page link on JCSS's home page.

**Still prefer paper?** No problem! Simply print out and fill in the order form (on the following pages of the pdf), and send it back to school with payment by JUNE 30th 2018. All prices include tax.

For Grades 4, 5, 6, and 7 you will also find that some items, although required for this class by the teacher, are **OPTIONAL** for purchase through the PAC. We have made these items optional for purchase because your child in these classes may already have these particular items, and because they are more costly, you may want to reuse from a previous class or older sibling, or make this purchase yourself.

All school supplies are name brand products, so quality is guaranteed. If there are any concerns with the delivered products, all you need to do is inform the school within the first week of classes, and PAC will make it right. This is not a mandatory program, but your support in the JCS PAC fundraising efforts is appreciated, and of course benefits everyone!

Just think, no more running around to four different stores, attempting to find the best deals on sticky notes and quad style coil graph notebooks!
